*Trinity Sunday*

Faith is still a surprise to me, as I lived without it for so long. Now I believe that it was merely dormant in the years I was not conscious of its presence. No small part of my religious conversion has been coming to know that faith is best thought of as a verb, not a “thing” that you either have or you don’t. The relentlessly cheerful and positive language about faith that I associate with the strong-arm tactics of evangelism fails to take ambiguity into account. I appreciate much more the wisdom of novelist Doris Betts’s assertion that faith is “not synonymous with certainty...but is a decision to keep your eyes open.”
